

Dear Temple Friends:

To follow H.H. Grandmaster Lin-Yun to China and learn from him the feng shui analysis of Chinese cultural and historical architectural sites, is an exceptional opportunity. The China Trip's itinerary and price are now finalized. Knowing that some of you may not be able to join us for the entire journey, I purposely made the itinerary as flexible as possible

In making your decision, you have several options:

- Register for the full 18-day trip.
- Customize your trip by choosing one or more of the cities to visit.
- Pay the full price, which includes international airfare from San Francisco.
- Pay only the land portion and domestic airfares (in China) and make your own international air reservation.

Please read the itinerary and fee breakdown carefully and make your decision before you call to register. Phone the Temple at (510) 841-2347 before the deadline, February 25, 2004.
